Demystifying Shariah explains that shariah is not one set of punitive rules or even law the way we think of law—rigid and enforceable—but religious rules and recommendations that provide Muslims with guidance in various aspects of life.

**79146074**

Written by outstanding senior and emerging scholars in their fields, it offers an innovative historiographical examination of the field of Islamic law and an ideal introduction to key personalities and concepts. The physical collection is spread between the Islamic Studies Library in Morrice Hall and Rare Books and Special Collections in the Humanities and Social Sciences Library.
