The treaty also allows Egyptian and Israeli citizens to travel between the two countries. The idea of McJihad requires a distinctive understanding not so much of the historical role of particular Islamic movements, but of the nature of what we call global capitalism.

**Reaching Saudi Arabia Market**

At the summit were Lord McNair, recently retired President of the International Court of Justice, and Maurice Bourquin, a renowned Belgian international lawyer. Such rights have the character of acquired rights. When the talks still threatened to put pressure on Israel to end the occupation, Israel undermined them by opening secret talks outside the conference, offering a concession to a single party — with the Egyptians in 1977, offering them the return

of the Sinai, and with the PLO in 1993, offering them a role in administering Palestinian enclaves in the occupied territories and future talks about their status.
