India Rising: Soft Power and the World's Largest Democracy

Qualitative definition The qualitative approach concentrates on the perceptions that result from unequal relationships.

India

Commercial flows between the two have increased nearly threefold since the agreement was signed in 1998.

UN mediation of the Kashmir dispute

By contributing its resources to prevent or mitigate regional and international crises, India is demonstrating its commitment as a responsible actor in the international order. As well, why to hide the fact that many Indians of high repute had various secret engagements with colonial administrators, as demonstrated in the case of Madan Lal Dingra and the execution of Bhagat Singh and his comrades.

India's economic diplomacy

These are situations where direct state actors are involved in the form of intelligence cooperation, military relations, etc.

Amid India

In the South Asian region, India has been actively engaging with the SAARC nations by supporting them with critical medical supplies like hand sanitizers, forehead sensors, PPE personal protection equipment , surgical masks etc.
