## Reznicek Invited to Develop First Critical Edition of 'As Music and Splendour'

I have held this post since 2000, when I won my seat by 3 votes. It draws a portrait of the author in her later life, a portrait which is often overlooked in favour of youth and its radical associations, to foreground instead an alternative image of what it means and how it looks to be an important Irish author.

## Kate O'Brien Research Papers

This offers a good example of how popular Kate O'Brien was in the 1940s, before falling into obscurity for decades, only to be 'rediscovered' as a key writer in the 1980s. The world has changed forever, and the expectations of employees have shifted as well.

## Kate O'Brien, James Joyce, and the 'Lonely Genius'

Editor : Iqbal Sobhan Chowdhury Published by the Editor on behalf of the Observer Ltd. About this book This new book provides a significant introduction and critical survey of the diverse works of Kate O'Brien 1897 - 1974 the Irish novelist, playwright, film-script writer, short-story writer, journalist and biographer. She moved to London, where she worked as a teacher.

## Kate O'Brien: A Writing Life (review), New Hibernia Review

Deirdre Quinn and Sharon Tighe-Mooney eds. Common ground includes existentialist preoccupations and tropes, a pacifism which did not hinder support for the left in the Spanish Civil War, the linking of feminism and decolonization, an affinity with anarchism, the identification of the normativity of fascism, and a determination to represent deviant sexualities and affects.
