Bolshevik Revolution & the Soviet Experience

An informal bloc of opponents was formed

out of the representatives of the Menshevik Internationalists, left-leaning SRs, and some Revolutionary Defensists. If you remember, Sonia Singh is a very high-profile anchor on NDTV whose pro-Congress anti-BJP bias is legendary. And it has to handle the real and very difficult contradictions involved correctly in all of this.

Bolsheviks and Feminists: In Cooperation and Conflict

They've been inbreeding for a looooong time, even more than your Parsis-ever since the last Ice Age.

Soviet Retreat from the Emancipative Ideas of 1917

We will forever destroy because we need a world of our own, a God-world, which it is not in your nature to build.

[Book] History of the Bolshevik Party: Bolshevism

The alternative, to maintain the policies of war communism in the conditions of social collapse, would have led to massive peasant revolt and counterrevolution.

10 Books to Read About the Russian Revolution

The most ridiculous of all is there is one Tall Gold Coated Pillar Hindu Kodimaram in the center of a church like in a hindu temple above which there is one BIG CROSS Sign like structure. In this way, the Jews would be able to gain power over everyone, ostensibly in the interest of others.

Baba, Proletarka and the Kolkhoznitsa: Soviet Depictions of Women in Art

Luckily, every year 100-million people are born throughout the world. In the context of the workings of the Bolshevik party to rise to the highest office of the politburo required certain traits and qualities as well as an ability to utilise the party machine and exploit its members-talents, traits and qualities Trotsky clearly lacked. The most ridiculous of all is there is one Tall Gold Coated Pillar Hindu Kodimaram in the center of a church like in a hindu temple above which there is one BIG CROSS Sign like structure.

[Book] History of the Bolshevik Party: Bolshevism

As Stites points out, the Zhenotdel, which by the end of the decade had lost much of its influence, was weakened by the lack of financial support.
