Seeing fear on that face was an abomination; it was terrifying, but it was the noise that shocked me more. At that moment I promised myself I would never ride an elephant.

### **Riding the Moral Elephant: In Support of Jonathan Haidt**

Also, I miss him on late-night TV but understand his desire to escape from it.

### **IS IT OK TO RIDE AN ELEPHANT? CAN IT BE DONE ETHICALLY?**

We drank some more beers and got chatting to the domino players and were invited to sit for a game. There I cared for and learnt about the elephants, previously unaware to the nature of the abuse.
