Resources to Support Student Well

Due to this reason vocational guidance is highly needed.

Student Support and Guidance

Much emphasis for developing a healthy, trusting, accepting, relationship with counselee.

10 strategies to support students and help them learn during the coronavirus crisis (opinion)

Due to this reason counselee gets a lot of privilege and freedom to help himself.

Guidance: Definitions, Types and Characteristics

That is why the purpose and aims of follow-up service should be kept in the mind before planning the follow-up service. Do the pupils understand the aims and values of the study? The student needs skilful guidance and counselling in choosing a job for himself according to his abilities, interests, aptitudes and skills. A sound and satisfactory personality of an individual can be developed if he becomes able to check and control different powerful emotions such as anger, fear, anxiety, jealousy, nervousness, joy and tensions in different context of life.
