One is that Scotland has come splendidly out of this debate. Stealing his thunder is the newbie actor with a 3-year debut, Azumaya! Also, some brainwashed people I have spoken with, believe that there is something inherently evil in the German gene pool. However, there was one statistic quoted by the noble and learned Lord, Lord Oaksey, yesterday which is incontrovertible--namely, that at present this country has the lowest homicide rate in the world.
