## Coronavirus (COVID)

Qausuittuq 11,008 km<sup>2</sup> of territory on Nunavut's Bathurst Island. As of October 2018, the country had 987 such sites located across the 13 provinces and territories.

## HistoricPlaces.ca

Nine regions are not yet represented.

## Parks Canada [WorldCat Identities]

See Taylor, Negotiating the Past, 184.

## National Park Service

Parks Canada has developed several tools to help achieve this understanding, including comprehensive natural resources databases, regularly updated for all parks.

## National Parks

Where to stay: Enjoy accommodations with as much character as Banff with , close to Memorial Drive so you can bypass downtown traffic and head to the mountains. James, Carleton House, Dunvegan, Fort George and Buckingham House, and Victoria Settlement, and literally dozens of other sites marked with a plaque or other such minimalist commemoration.

## A look at some of Canada's national historic sites dedicated to Black history

Cave and Basin The ninth most popular National Historic Site, Cave and Basin was visited by 267,951 people in 2017-18. Under the federal Species at Risk Act SARA , Parks Canada plays a significant role in the protection and recovery of endangered species. As such, they have become cultural icons, places to which we attach layers of belief, meaning and significance.
