HOW DOES THE CEREMONY WORK? There are many devastating side effects of this — the most significant being

a sense of inferiority and lack of self worth. And I thought of the time when my friend avoided getting arrested for drug possession by telling the police officer that the bag he was about to unzip was where she kept her tampons.

## Sample Initiation Ritual

However, motherhood in and of itself does not automatically bestow divine enlightened qualities upon a woman. See for a catalog of courses that you can access. This transition calls into focus the deep-seated contradiction in Ndembu social organization between matrilineal descent and virilocal residence: When a girl reaches maturity and marries, she is lost to her lineage, the very lineage that she is expected to perpetuate through the birth of her children.

## Pregnancy as a Feminine Initiation

In part, this may result from the fact that a dramatic individual physiological event —the onset of menstruation—marks the moment at which women's initiation is to take place in many cultures.
