## NACE Rev. 2, Statistical classification of economic activities in the European Community — European Environment Agency

By way of derogation from paragraph 1, when the Council adopts Community incentive measures, excluding any harmonisation of the laws and regulations of the Member States, to support action taken by the Member States in order to contribute to the achievement of the objectives referred to in paragraph 1, it shall act in accordance with the procedure referred to in Article 251. The European Community originally consisted of three separate Communities founded by treaty.

### Overview

Prior to 2004, the larger members France, Germany, Italy and the United Kingdom have had two Commissioners.

### European Union Indicators

Article 15 When drawing up its proposals with a view to achieving the objectives set out in Article 14, the Commission shall take into account the extent of the effort that certain economies showing differences in development will have to sustain during the period of establishment of the internal market and it may propose appropriate provisions.

### The Digital Economy and Society Index (DESI)

Maastricht brought in the , which gave it equal legislative power with the Council on Community matters. A decision shall be binding in its entirety upon those to whom it is addressed. In the event of the Commission not submitting a proposal, it shall inform the Member States concerned of the reasons for not doing so.

### The economy

Article 59 Where, in exceptional circumstances, movements of capital to or from third countries cause, or threaten to cause, serious difficulties for the operation of economic and monetary union, the Council, acting by a qualified majority on a proposal from the Commission and after consulting the ECB, may take safeguard measures with regard to third countries for a period not exceeding six months if such measures are strictly necessary.

Article 84 Until the entry into force of the provisions adopted in pursuance of Article 83, the authorities in Member States shall rule on the

admissibility of agreements, decisions and concerted practices and on abuse of a dominant position in the common market in accordance with the law of their country and with the provisions of Article 81, in particular paragraph 3, and of Article 82.

### **European Communities**

The had stated that the must be directly elected, however this required the to agree on a common voting system first.

### **The economy**

Every citizen of the Union may write to any of the institutions or bodies referred to in this Article or in Article 7 in one of the languages mentioned in Article 314 and have an answer in the same language.
