I wish to see the emblematic figures of the ancients - the sun, the moon, the stars, the mountain, the dragons, and the flowery fowl the pheasant , which are depicted on the upper garment ; the temple cups, the pondweed, the flames, the grains of rice, the hatchet, and the symbol of distinction, which are embroidered on the lower Garment - I wish to see all these fully displayed in the five colours, so as to form the ceremonial robes - it is yours to see them clearly for me. As applications sandboxing matures to become the industry standard as part of its defense-in-depth strategy, software vendors are now more adept in strengthening their sandboxes after iterations of design reviews, code reviews, fuzzing and patches.
