Building a legacy of kindness, love and care

Trisomy 21, commonly known as Down Syndrome, is compatible with life and is the most common chromosomal anomaly. The most challenging part for me was to see people dying without their family and loved ones able to be around.

Building a legacy of love at Kansas State University

It has been an adjustment to move from the constant activity and noise of a full house of young people to relative quiet. Additionally, my husband's grandmother had just passed away four months before his father, so we weren't even done settling her estate until we were moved into settling his.

The mother was Elizabeth D'Agostino. We all need to search for Him in the crown jewel of His creation — each other. You can shine the light of Jesus upon them.

Episode 112: Building a Legacy of Love with guest Christy Yates — BrainShape

Who knew that a book about such an intense subject could actually be fun to read! Amant, MD, walked with Kayla and her husband, Thomas, during the high-risk pregnancy.

Sermon on Christ's Legacy of Perfectly Loving God and Loving Neighbor

Jesus looked at him and loved him. Receive Christ's offer of mercy, let Him fill you with His Spirit, and then watch as He empowers and teaches you how to love Him and others.

Building a Legacy of Love

I started immediately to have the Divine Liturgy online on Sundays and holy days, plus services during Holy Week, so they can stay connected to their church and our faith. When we were raising our own children, we often had regular, daily conversations that centered on the person and

reality of Jesus.

Sermon on Christ's Legacy of Perfectly Loving God and Loving Neighbor

In less than four years my mother-in-law was abruptly diagnosed with stage 4 cancer, she passed away, less than a year later my husband was laid off and we moved to another city, and then my father-in-law was diagnosed with skin, then colon, then brain cancer and passed away after only about six months.
