Helen of Troy in The Iliad: Description, Story & Facts

She speaks to the goddess Aphrodite, asking her why she has meddled in her life. But because the Greeks were losing due to a sudden onslaught reeked by the Trojan alliance, Patroclus decided to put on Achilles armor to rally the Greek troops and thus was killed by Hector.

Helen of Troy (TV Mini)

When Helen is of marrying age, she wisely realizes that she is choosing more than a man; she is choosing a way of life.

Helen
