## North Korea

Its construction was completed in 1796 and it features all the latest features of Korean fortification known at the time. When the company tried to offer higher positions to women, many of the top male executives took advantage of the women and gave them menial chores, not unlike how some husbands may expect of their wives at home.

## The “Scourge of South Korea”: Stress and Suicide in Korean Society

Korean children have a school year of 11 months and often spend over 16 hours a day at school and at afterschool programs called hagwons. Among the very earliest are the paintings found on the walls of tombs of the Koguryo Kingdom located in what is now North Korea and around the China-North Korea border area .

## The Culture Of South Korea

Ink is the most common material used, and it is painted on mulberry paper or. Language Hangul is the name of the Korean alphabet.

## South Korea: Culture and Tradition

I'm as a kpop lover was amazed by those stories.
