Any victim of criminal behaviour had the right to report such events to the public security organs, who took measures to stop the crime and impose sanctions on the offenders, or to transfer the case to judicial organs for criminal punishment. The date of the submission determines the timeline of the following steps.

**OHCHR**

The second theme for follow up concerned re-education in labour camps, which in law had been abolished but had — alarmingly - continued in practice in different shapes and forms. During the siege that followed the failure to storm Quebec, the invasion hung by a thread.
