### Quiz on Indian and World Geography with Answers

In 1869 transportation between East and West was improved when the Union Pacific and Central Pacific met in Utah. Once the notion of the American Desert was found to be largely a myth, white travelers, traders, and settlers began following the overland trails into the West. The overland trails now took on new importance.

### The Closing of the Frontier

Old World Encounters: Cross-Cultural Contacts and Exchanges in Pre-Modern Times. Cosmonauts performed scientific experiments aboard the station. A somewhat different style of historical investigation arose from a second attack on spatial science.

### Historical Geography

At first glance the concept of borders, borderlands, or frontiers would seem to be straightforward.
