Poetry, a Magazine of Verse

It strongly reminded us of Mr. The few pages which I have published, are of too distant a date, and the extent of their sale a proof too conclusive against their having been popular at any time, to render probable, I had almost said possible, the excitement of envy on their account; and the man who should envy me on any other, verily he must be envy-mad! Please God, you shall yet be a philosopher. His father was Lord Chancellor of Ireland.

Compare a passage in Representative Men, pp.

Biographia Literaria, by Samuel Taylor Coleridge

It never has been practised but at times of public calamity; and was done at present to avert the ill effects of a late great inundation, which it was feared might cause some epidemical distemper. By R OBERT B UCHANAN.

Robert Burns's Commonplace Book 1783

This is very entire, and there is a piece of the aqueduct that supplied it too; in the garden below is old Rome, built in little, just as it was, they say. The room is damp, but warm. Gray always thought highly of his pathetic powers, at the same time that he blamed his ill taste for mixing them so injudiciously with farce, in order to produce that monstrous species of composition called Tragi-comedy.
