Macroeconomics

. Classical unemployment occurs when wages are too high for employers to be willing to hire more workers.

Macroeconomics Definition

Microeconomics What determines how households and individuals spend their budgets? Whether you are looking at lakes or economics, the micro and the macro insights should blend with each other.

Macroeconomics

Suppose everyone who is looking for a job gets hired tomorrow and begins earning income. It sounds dangerous but it. New Classical economists believe that unemployment is largely voluntary and that discretionary fiscal policy is destabilizing, while inflation can be controlled with monetary policy.

Top Macroeconomics Courses

Glossary fiscal policy economic policies that involve government spending and taxes macroeconomics the branch of economics that focuses on broad issues such as growth, unemployment, inflation, and trade balance.
