Still Doing It: The Intimate Lives of Women Over 65

Not exactly a ringing endorsement! This collection of short stories gets four stars largely because of how much I liked the first and last of them. Cars of the era were also prone to breaking down, which meant that driving required at least a basic knowledge or car mechanics. On the same day, Redditor Apple-Trump posted a meme based on the format which gained over 38,600 upvotes in twelve days shown below.
