### Salerno 1943

These we would not reveal because the possibility of treachery could never be excluded.

### Landings at Salerno, Italy

In the British front the Germans attacked the 56th Division to the south-east of Battipaglia, but were unable to dislodge the Coldstream Guards and the 19th Royal Fusiliers.

### Remembering Salerno, September 1943

Months of difficult fighting lay ahead in Italy at places like San Pietro, the Rapido and Volturno Rivers, Cassino, Anzio, and the northern Apennines. Both urged that Giant Two be canceled.

### Lawrence Helm's Blog: British Mutiny at Salerno, 1943

The had come close to defeating the Salerno beachhead.

### Allied invasion of Italy

With the Salerno beachhead secure, the Fifth Army began its attack northwest towards on 19 September. This was intended to aid Italian forces in saving Rome, possibly the most historically important city in the world, from German razing, a condition of the Italian armistice.
