### Litigation legal definition of litigation

Each side presents its case to an independent attorney or panel of attorneys during a settlement conference. Contrary to popular belief, litigation is not simply another name for a lawsuit.

### What is litigation?

Litigation is a process that can be quick and to the point or can persist for years with hearing after hearing. Settlement can happen at any point during the litigation process. Many employees who are wrongfully terminated suffer from depression, post traumatic stress syndrome, anxiety and other conditions that will interfere with efforts to find another job.
