Marx first showed the realistic way toward realizing the ideals of humanism by linking it with the scientific theory of social development, with the revolutionary movement of the proletariat, and with the struggle for communism.

## Theology and Religious Teachings in the View of Soviet Atheism

Но важно и другое: Дунаевская оправдывает отступление Ленина от рабочей демократии теми же аргументами, которыми сталинские идеологи в дальнейшем оправдывали отступление от коммунистических принципов и идеалов. Eugene Gogol and Franklin Dmitryev.

It regards human welfare as the criterion in evaluating social institutions and regards the principles of equality, justice, and humaneness as the desired norm in relations between people. Subsequently humanism spread to other European countries together with the Reformation.

## General Conceptions Concerning the Person

The further development of the ideas of humanism is connected with the social thought of the period of bourgeois revolutions in the 17th, 18th, and early 19th century.
