## The puzzle palace : a report on America's most secret agency

I'd guess there are better books for anyone interested in the more recent events surrounding the NSA I take books like this with a large grain of salt. I recall numerous newspaper references to criminals and suspected terrorists contacts Recent revelations regarding massive data mining of phone and Internet activity hello Uncle reminded me of this read. Its purview is basically anything other than human intelligence HUMINT, in the government acronym , meaning it doesn't put people in the field to find out things; instead, it gathers information through other means.

**9780140067484**

It is amazing this book was published at all, during the Cold War. And I seem to recall a mention of the capture of the USS Pueblo spy ship. This was a provocative, informative, and valuable book when I read it, which I believe was during the late 1980s, and it has become so again in 2013, as anyone who's been following the news in America is bound to realize.

## The puzzle palace : a report on America's most secret agency

Before even Bush era legal authorization this data was being collected and all foreign contacts swept for key words, slang, repeated unknown phrases - names, dates, locations.

## The puzzle palace : a report on America's most secret agency

The NSA has long eluded public scrutiny, but The Puzzle Palace penetrates its vast network of power and unmasks the people who control it, often with shocking disregard for the law. It's a fascinating piece of work. I visited NSA Columbia Annex once for work and was immediately attracted to the environment.

**The Puzzle Palace (23 September 1982 edition)**

Perhaps I will writ This came to me one evening under the radar. In 1967, a US Navy-NSA surveillance ship observing the Six-Day War was att  
The National Security Agency is a U.

**The puzzle palace : a report on America's most secret agency : Bamford, James : Free Download, Borrow, and Streaming : Internet Archive**

Thoroughly researched and sourced, this is an authoritative treatment of the NSA. It's also worth noting that this book is quite old now. I understand why the author was keen to ensure that as much of the information he uncovered made it into this records as possi As a meticulously researched historical document, this is second to none in terms of its subject matter.

**The Puzzle Palace: Inside the National Security Agency, America's Most Secret Intelligence Organization by James Bamford**

Cryptologic Museum NCM on a weekday for a couple of hours if in the DC area. Truman established the agency with unprecedented levels of secrecy around it and didn't even give it a formal charter to operate under. .
