## The Controversy over the Franchise in Puritan Massachusetts, 1954 to 1974 on JSTOR

The fact that the Puritans had left England to escape religious persecution did not mean that they believed in religious tolerance. Puritans tried to purify the established Church of England. The strength of the made religion and government inseparable in portions of Europe during the Middle Ages, but Martin Luther challenged this hegemony in Germany when he nailed his ninety-five theses to a church door in 1517, and the Church eventually split along Catholic and Protestant lines. In the preface, the author says that it is for the study of the Massachusetts Bible State.

## Puritan Values in American Society

He argues that ministers imposed their influence upon matters, in which they had no prior experience or authority.

## The Controversy over the Franchise in Puritan Massachusetts, 1954 to 1974 on JSTOR

The journal's stated mission is to encourage the study of New England's history and culture and, through quarterly publication and related activities, to enlighten the public about their significance and diversity.

## The Puritan oligarchy; the founding of American civilization by Thomas Jefferson Wertenbaker

For instance, the minister , the founder of what became Rhode Island, fled Massachusetts after his proposal to separate church and state met with Puritan hostility.
