## Eight ways to cope when your child gets divorced

We have been married 25 years and I earn half what he does.

## The Psychological Effects of Divorce on Kids

But I was angry with my father for several years, blamed him for the family breakdown, and sought to support my mum. Although the age of the child and the reasons expressed for choosing one parent over the other determine how much weight judges give to a child's preference, when determining the best interest of the child, judges in Oregon will tend to give more weight to the testimony of expert witnesses, such as psychologists, social workers, teachers, counselors, custody evaluators, or psychiatrists. Contact with the father declines over time after a divorce, though this pattern is less pronounced the older the child is at the time of the divorce.

## Can a child choose which parent will have custody?

Knowing everything will be alright can provide incentive for your kids to give a new situation a chance.

## The Effects of Divorce: Is It Harder on Boys?

My birth father had to relinquish his parental rights, and I saw him only three times after that. Indiana, Utah Yes If the child is 14 or older, the judge may consider the wishes of the child. Edward's articles are for informational purposes only and not for the purpose of providing legal advice.

## How to Talk to Children About Divorce

To add, age 18 termination is a crock too since most kids do not leave home just because they graduate or turn 18, so I would add to the list that provisions for that should be negotiated. Be as specific and detailed as possible. Divorce rates are higher for people whose parents were divorced.
