The ritual functioned as a means for the sons to publicly affirm their love for the father and to unconsciously release the hate caused by the sexual renunciation they endure. Essentially, as humanity progresses into adulthood from its childhood, it must discard religion with thinking that evidences maturity.

Now, 11 years in the works, comes his capstone biography of the Master, Sigmund Freud: The Making of an Illusion Metropolitan Books. Freud believes he can explain this through the unconscious. None of this stops Freud from writing up cases with a cocky flair, in conscious imitation of Sherlock Holmes tales, depicting treatments as indisputable triumphs of psychological detection and portraying questionable casual encounters as triggering virtuoso insights.

An Evaluation of Sigmund Freud's Theory of Religion in 'Totem and Taboo' and 'Future of an Illusion'

Since its initial publication this critique of Freud's methods for gathering and evaluating evidence has become a classic in Freud scholarship. Peyser, Charlotte Krause Prozan, Theresa Reid, James L.
