## TCRecord: Article

Positioning separation as the underlying curriculum for all early childhood programs, this wonderful book: Helps teachers and parents to understand why children take time to adjust. Offer to hold the child, sit with them, share a story, or just allow them to help you with daily tasks.

## Everyday Goodbyes: Starting School and Early Care : a Guide to the ...

Barbara Nicholson and Lysa Parker iUniverse, Inc. In Everyday Goodbyes her follow-up to Starting School: From Separation to Independence , Nancy Balaban once again addresses this critical aspect of child development.

## TCRecord: Article

Whenever possible, though, these relationships should be supported. Nancy starts to cry loudly, banging on the classroom door.

## Early Childhood Education Ser.: Everyday Goodbyes : Starting School and Early Care

Getting to know the early childhood setting If a child is new to your class, encourage the family to visit with their child prior to their first day if possible so the child can see that the classroom is a safe place and is parent-approved! LaKrisha takes a deep breath to calm herself.

## Starting school : from separation to independence : a guide for early childhood teachers

Children in your care can only be as calm as you are feeling! Young children are supported when their caregivers are able to provide predictability.

## Separation Anxiety and Attachment in Infants and Toddlers

IEL It is often hard for a parent or other loved one to leave a young child who cries and clings. It is a sign of nurturing care. .

### **Starting school : from separation to independence : a guide for early childhood teachers**

Unfortunately, I was looking for a book as a mother, not as a childcare provider.
