With their economies suffering under the shock of IMF policies, the meeting provided an opportunity to reflect on regional issues and the path for the future as much as to celebrate the achievements of the past. Как и другие тексты никондзинрон, относящиеся к этому периоду, доклад, составленный упомянутой группой, не ограничивался описанием чисто культурных вопросов. How, then, is Japan globalizing vis-à-vis the rest of the world, and how is Japan itself being globalized? Second, this book documents some of the initial stages of a society responding to a rapidly changing, multicultural landscape in certain locations.

It signifies that their domestic markets have been fully incorporated into the international division of labour in terms of both trade and capital investment. International efforts for peace implementation in Bosnia again have followed dual military and civilian tracks consisting of the Implementation Force IFOR under NATO and the WEU, and the Peace Implementation Council PIC under the G-7, Russia, the Organization of Islamic States, the EU and Japan. For example, in the early 1960s Japan signed several trade agreements with selected countries of Europe, including the key founding members of the EEC Germany, Italy, France, Belgium, the Netherlands and Luxembourg, as well as the UK.

**Political Economy of Japanese Globalization (Sheffield Centre for Japanese Studies Routledge Series)**

The shift in economic relations from trade to FDI was particularly crucial in effecting this transformation from antagonist to ally. Однако в целом в послевоенные годы общественный дискурс о Советском Союзе был довольно разнородным, несмотря на постоянно ужесточающуюся антикоммунистическую цензуру американских оккупационных властей. Особенный интерес в этом контексте представляют впечатления о Советском Союзе в изложении Маруямы Масао, корреспондента «Асахи Симбун» в Москве, много ездившего по Советскому Союзу.

**Nathu Ram Godse ( in Japanese)**

Cả hai tướng này được coi là những người đầu tiên phủ nhận cuộc thảm sát Nam kinh.

**Kenya kufanya sensa yake ya kwanza katika muongo**

The corresponding figures are 33,000 and 48 per cent in 1984, and 39,000 and 13 per cent in 1997 Guo 1999: 60—1.

### **Okinawa**

In English we limit our understanding by the word and our perception of that word.
