## Special issue devoted to AIRTEC “Supply on the Wings” conference

Some cultural or traditional practices such as female genital mutilation also carry a high risk of death and disability; c Psychosocial factors which vary between women and men include depression in general and post-partum depression in particular as well as other psychological conditions, such as those that lead to eating disorders such as anorexia and bulimia; d While lack of respect for the confidentiality of patients will affect both men and women, it may deter women from seeking advice and treatment and thereby adversely affect their health and well-being. These ideas were published by Poncelet in 1826 and were awarded a prize by the French government. Subsequent to an unsuccessful reelection to the Twentieth Congress, Johnson was elected to fill the vacancy in the Twenty-second Congress occasioned by the death of Philip Doddridge in 1832.

## The Great Exhibition of 1851: a Nation on Display

The Fair Work Act prohibits adverse action, coercion and misrepresentations in connection with these industrial activities. This is in stark contrast to their participation in these areas at the non-governmental level. These attitudes also contribute to the propagation of pornography and the depiction and other commercial exploitation of women as sexual objects, rather than as individuals.

1878

Studies such as those which emphasize the high maternal mortality and morbidity rates worldwide and the large numbers of couples who would like to limit their family size but lack access to or do not use any form of contraception provide an important indication for States parties of possible breaches of their duties to ensure women's access to health care. In Prussia, the introduction of the security police was modelled after the French Gendarmerie Rupieper 1977. Cantelo's Chicken Establishment in Leicester Square.

## Great Exhibition of 1851

With over 1,000 different archival institutions represented, ArchiveGrid helps researchers looking for primary source materials held in archives, libraries, museums and historical societies throughout the world. Its precise definition, however, remained slippery in its range of applications and

crossover with other categories. Albert poured himself into the task of organizing the international trade show that became a symbol of the Victorian Age.

#### **A Guide to the Executive Papers of Governor Joseph Johnson, 1852**

Where countries have developed effective temporary strategies in an attempt to achieve equality of participation, a wide range of measures has been implemented, including recruiting, financially assisting and training women candidates, amending electoral procedures, developing campaigns directed at equal participation, setting numerical goals and quotas and targeting women for appointment to public positions such as the judiciary or other professional groups that play an essential part in the everyday life of all societies. Smith, Superintendent of the Virginia Military Institute, transmitting a letter of a Committee of Cadets requesting the Armory Band for the commencement 1853 Apr.

#### **Great Exhibition 1851**

Bigler requests the delivery of several fugitives including John H.
