Arachne Clan

There are many parallels between composing a story and weaving a tapestry click for weaving in another Ovidian myth.

Weaving and Writing: Censorship in Arachne

The dangling maiden was then fittingly transformed into a spider Greek arakhnēs. Arachne in a mountain town Hypaepae by skill had grown so famous in the Land of Lydia, that unnumbered curious nymphs eager to witness her dexterity, deserted the lush vineyards of Tmolus; or even left the cool and flowing streams of bright Pactolus, to admire the cloth, or to observe her deftly spinning wool.

Arachne priest

Yet Arachne's weavings depicted Zeus in his many infidelities with mortals.

Arachne Crane

She holds a doctorate in from the University of Michigan. This ancient region was once home to a beautiful maiden named Arachne. It is one of the many recurring images used by the rock band, ; it has been used in the cover of their EP, as a backdrop for their live shows, and a favorite accessory for guitarist and composer in the form of a belt buckle.
