To the extent feasible, watershed objectives included in this division should be achieved through use of conservation easements and voluntary landowner participation, including, but not limited to, the use of easements pursuant to Division 10. Added by Acts 1995, 74th Leg. It is the intent of the legislature that state facilities be brought into a better state of repair to ensure the safety of employees and visitors, the efficiency of building operations, and a long-term reduction in repair costs by addressing deferred maintenance issues.
