6303740

Process for decision of reemployment of discharged coalminers - micro data analysis at the time of the mine closure of the Joban coalmine K. This collective agreement also provided for masks to be supplied free of charge to miners in jobs exposed to dust stipulated in the Pneumoconiosis Act, on the condition that they took care of them. Implementation of TWI management in most mines standardized the work process and widely circulated the safety guidelines booklet.

3758814

At the same time, its export volume grew as well.

3758814

Even after the start of the boom period in the mid-1950s, competition from foreign coal and petrol put pressure on the industry. Hook and Richard Siddle, 74-92. Women in Japan Today, 2004.

Experimenting with Standardization and Individualization: Human Resource Management and Restructuring in Japan

Mori Noriyasu, Isobe Toshiro, Kameda Ikuro, « Tankō ni okeru shindō to shingen-iki ni kansuru kenkyū », Nihon kōgyōkaishi, Vol. In the primary school in the mining town of Higashi Matsuura in Saga department, 45% of the 55 children who did not have lunch were underweight, 65% were anemic, 51% had angular cheilitis, and 26% had keratosis pilaris. The 1930s saw the gradual introduction of mechanized drilling and a shift from the room-and-pillar system tanchūshiki saitanhō of extraction to the longwall system chōhekishiki saitanhō.

Experimenting with Standardization and Individualization: Human Resource Management and Restructuring in Japan

The questionnaires asked the age of the man and woman, their level of education, their monthly income, the number of children, the number of deceased children, the number of natural miscarriages, the number of abortions, and whether or not they used contraception. Jones and Daniel Roos, The Machine that changed the world, New York: Rawson Associates, 1990.

spaceneb.us.to: Living Together

Furthermore, lack of the most basic implementation of the procedures provided for by law combined with administrative autocracy denied workers their basic rights.
