The Internet is a fundamentally democratic medium that allows everyone who can get online the ability to express their opinions through, for example, blogging or podcasting—though whether anyone will hear is another question. In Great Britain, the government managed broadcasting through the British Broadcasting Corporation BBC. Why did the creators of these particular messages present them in these particular ways and in these particular mediums? Together, they formed a short-lived two-man band called Lo-Fi Masters.

Similarly, media can be used to monitor government, business, and other institutions.

### 10 Artists Who Changed The Course Of 20th Century Art

World War I 1914-18 and the 1917 Russian Revolution were also important influences, triggering movements like Dada and Constructivism. At the same time, coverage of the race issue determined the evolution of modern journalism, nowhere more so than in the development of its newest electronic iteration: television news.

Race, class, and gender: The boundaries of legitimate media discourse. After the international recognition of Abstract Expressionism, the art world became increasingly globalized and diffuse, with styles and trends practiced in all corners of the world, but recent scholarship has focused on the transnational dialogues that are occurring now and tracing those back to create a richer understanding of the art of the United States.

Born the USA made him mainstream. The free online encyclopedia Wikipedia has articles on topics from presidential nicknames to child prodigies to tongue twisters in various languages.

## **Way, Jennifer**

In 2010, Americans could turn on their television and find 24-hour news channels as well as music videos, nature documentaries, and reality shows about everything from hoarders to fashion models. Some American artists and art museums have responded by using social media and art world marketing to promote making craft as a key element of community art projects aimed at establishing virtual connectedness during physical isolation. The spread of cable and subsequent deregulation in the 1980s and 1990s led to more channels, but not necessarily to more diverse ownership.
