### 5.2 Executive Summary and Abstract

MIT officials attended the press conference in Washington D.

### Supplemental Appendices: Final Report, Screening Survey for Metals and Dioxins in Fertilizer Products and Soils in Washington State

In the previous period, there were 182 service members affected by violations of the new policy; this was the figure included in the interim report. Every appendix must be referenced within the document.

### 5.2 Executive Summary and Abstract

The results of the lab will allow the team to make a recommendation for the company. Included in the page is background on the history of MIT's involvement in the ROTC issue regarding the discrimination against homosexuals in the armed services, the Task Force's Interim Report and Final Report, and a comment form.

### Supplemental Appendices: Final Report, Screening Survey for Metals and Dioxins in Fertilizer Products and Soils in Washington State

In fact, the two year program was mandatory only for students who were US citizens.

### Supplemental Appendices: Final Report, Screening Survey for Metals and Dioxins in Fertilizer Products and Soils in Washington State

Gallop, Office of the President, Mr.

## **5.2 Executive Summary and Abstract**

Labels should be formatted as described in.

### **Final Report: Appendices**

The President and the Chair of the Faculty will appoint a committee consisting of students, faculty, and staff, with the mission of promoting changes in Congressional, Executive, and Department of Defense policies in order to eliminate discrimination against homosexuals in the military. Members of the Task Force attended departmental meetings to discuss the Interim Report and solicit feedback from faculty; discussions were held with the faculty of Ocean Engineering, Computer Science, Electrical Engineering, Aeronautics and Astronautics, Chemical Engineering, and the Sloan School. Appendices should not be storage for messy or extraneous information.
