Specifically, when people were presented with photographs of older adults in positions of prestige e. Han By Arthur Robin Williams By Sebastian T. Fortunately, I had built up good relationships, a network, and had generated tremendous good will, so those people covered for me and protected me.

## United States Senate Special Committee on Aging

At San Jose State, I worked with the United Farm Workers and learned the value of building relationships with a diverse set of individuals, to get out of my comfort zone and to build relationships with people I was not comfortable with. Some pitfalls of the use of cross-sectional data to infer changes with aging are discussed. Post 3 1Department of Neurology and Political Science University of California, Irvine Irvine, CA 92697, 2Department of School of Medicine University of California, Riverside, 900 University Avenue Riverside, CA 92521, 3Elliott School of International Affairs, The George Washington University, 1957 E Street, N.

## Executive dysfunction, brain aging, and political leadership
