## THE QUEEN S CONJUROR THE LIFE AND MAGIC OF DR DEE THE SCIENCE AND MAGIC OF DR DEE SCIENCE AND MAGIC OF DR DEE

Thinkers like Dee and Newton may have paved the way for modern science, but they were very definitely its parents, not its children. Beyond the political sphere his intellectual pursuits ranged from the scientific to the occult. A time, perhaps like no other, when the soothsayer, the scientist, the prince and the poet together engaged in rich intellectual exchange to weave an extraordinary cultural tapestry.

Dee managed to map the position of each heavenly body in the sky to within a few minutes of arc a minute being one-sixtieth of a degree , with the exception of Mercury, nearly two degrees adrift. Benjamin Woolley's biog is just a few years published so 'The Queen's Conjuror' is as up to the minute on the life and magic of Dr.

## Book Reviews

And it tells the story of one man's epic but very personal struggle to come to terms with the fundamental dichotomy of the scientific age at the point it arose: the choice between ancient wisdom and modern science as the path to truth. These connections could be manipulated or accessed accordingly to improve one's chances for success in a venture.
