Tu nevari izlemt cita vietā - vai tas būs laimīgs vai nē. Ground Surveillance Radar were set up in front of the Troop's NDP or Laager and transmitted to a receiver in the Radar Track. Iepļāno šos notikumus savā dienaskārtībā.

**Lietuva pavydi, kad Estija aplenkē jā dialoge su Rusija**

As time progressed, the number of beehive rounds that were carried increased as the availability of this round grew. The engineers were invariably assigned as passengers with the Scout Section and were responsible for sweeping in front of the Troop for mines and for jobs requiring demolitions with the use of C4 explosives. Mīlotais cīvēks dāvā savu mīlestību, tu jūties ērti viņam blakus: viņa glāsti burtiskā un pārnestā nozīmē iedvesmo, piepilda ar siltumu un pārliecību, sniedz sapratni par to, ka tevi mīl, un tas liek tev justies labi.
