## The Great Human Migration

Thank you for the comment, though. Throw out all these complexities and just think a while that we all are same humans. This kingdom has been regarded as the first Nubian state, and its capital, Kerma, is today an important archaeological site.

## Was Tamana a Universal Civilization of Mankind Before the Great Flood?

How many wars have been fought over Religion and how many people have been killed and persecuted over the Millennia? In 2012 of these counts ended and a new one started. It just might surprise you! There are sedentary civilizations that are far older than all mentioned on this list. My passion to know from everything from the Day earth and sun rose up mountains got settle down, sea cover up the face of earth till Day of Judgement arrives.

## Timeline of prehistory

And by the way, the article has so many inaccuracies that I have decided to ignore it altogether. Thus assa, could be interpreted as 'water place or locality of water'.

## Evidence of Advanced Civilizations living on Earth more than 100,000 years ago?

Recently it's found that Nubia preceded Egyptian civilisation by a number of years.

## The 10 Oldest Ancient Civilizations That Have Ever Existed

We are all related to some extent, all people, and as people, as carriers of life, with all other living things.

## The World's Oldest Civilizations

Vamos-Toth Bator indicates that the Tamana had their own writing as proven by the similarity of the pottery writing found on ancient samples from Africa and Eurasia. Do I believe in God Yes, do I believe in any life, magic, powers, or abilities out there being gifts from God Yes.

### **Did another advanced species exist on Earth before humans?**

How long did they last? Hieroglyphics were used only in special circumstances and scribes used hieratic and later, demotic both were simplified versions of hieroglyphics. Go back even further and you realize that we were the same people separated by a language and a little solution of both our blood.

### **Was There a Civilization on Earth Before Humans?**

What makes the difference, is what we DEFINE ourselves. Before they created such a vast empire in the space of just 200 years, before 550 BC, Persia or Persis as it was called back then was divided into factions among a number of leaders.
