Nonetheless, the work attracted little attention upon its first publication, and was only appreciated beginning in the 1990s. In 1906, after having finished his studies in restoration, Dalmau returned to Barcelona. Thus, his 1916 voyage to Spain resulted in a number of obviously Spanish paintings, Spanish Dancer hot and exuberant as well as in a lost Sailboat painting, more consonant with the general course of his development in synthetic abstraction and few of his paintings are as sensual and immediate as those of Bermuda in which a Cezannesque concern for light-modified forms and his consistent diagonal brushwork overcome any conceptual efforts.
