Financial assistance for preparation can make a substantial difference. The bill requires the Board of Administration of PERS to implement program changes to ensure that a contracting agency that creates a significant increase in actuarial liability bears the associated liability. However, the fact that turnover is lower among unionized public school teachers suggests that pensions also play a role in reducing turnover at traditional public schools because unions prioritize pension benefits in negotiations.

Chapter 11

Require students to be exposed to both in-person and technological education modules. However, many studies that criticize DB pensions as unfair mislead the public about teacher turnover, among other things.
