### Fors clavigera : letters to the workmen and labourers of Great Britain

And Ruskin now makes use of his personal history. I expected to gain some advantage from it. Boxall is a beautiful colourist.

### Fors Clavigera: Letters to the Workmen and Labourers of Great Britain (Volume 2 of 8)

Show me, therefore, some English family, with its fiery familiar, happier than these. In the meantime Parliament is a luxury to the British squire, and an honour to the British manufacturer, which you may leave them to enjoy in their own way; provided only you make them always clearly explain, when they tax you, what they want with your money; and that you understand yourselves, what money is, and how it is got, and what it is good for, and bad for.

### Fors clavigera : letters to the workmen and labourers of Great Britain

Such is the irony of events! Do you think the thousands of soldiers, German and French, who have died in agony, and of women who have died of grief, had sinned above all other soldiers, or mothers, or girls, there and here? Not merely the blinding of the eye, nor palsy of the limb; but the condemnation or judgment of them. The reason is simply and wholly that I may be charged so much per word, that the lawyer and his clerk may live.

### Fors clavigera : letters to the workmen and labourers of Great Britain / by John Ruskin.

I did not choose, in beginning this book a year since, to tell you what I meant it to become. Thoughts on an Advent Hymn. Two nations may go mad, and fight like harlots—God have mercy on them;—you, who hand them carving-knives off the table, for leave to pick up a dropped sixpence, what mercy is there for you? Around this time, in addition to portraiture, Whistler experimented with early and with , creating a series featuring London architecture and the human figure, mostly female nudes.

### Ruskin's 'Fors Clavigera' of October 1873: an unpublished letter from Carlyle to Tyndall.

In my plan for our practical work, in last number, you remember I said, we must try and make some pottery, and have some music, and that we would have no steam engines. The sum of it, in the end, represents, and can represent, only what is in the barn and winepress. But they would, for

you, if you cared to have it so.
