## George Washington: Timeline

Buttons swiftly replaced the previous trouser's string tie, apparently after years of barefoot sailors hanging themselves - or their friends - in frustration after trying to keep their pants up. So here we go, and as always-- I relate these wonderful Billie accounts verbatim.

## Washington Timeline: A Chronology of Washington History, Mystery, Trivia, Legend, Lore & More

Berkeley Heights, NJ : Wildside Press, 1999. In his foreword to Billie's book, Clint Kelley explains that the only man Billie really hates is the former friend whom she refused to identify by name.

## Belle Starr

His maps of this expedition and one the following year are printed by the government and are widely used by pioneers heading west.
