**Classical Music: Third Ear (July 10, 2001 edition)**

Encompassing more than five hundred classical composers past and present, this listener's guide to classical music discusses the best recordings of symphonies, operas, choral pieces, chamber music, and more by the world's leading composers as performed by a variety of outstanding musicians and conductors, and includes essays on the classical repertory, composers, instruments, and more. .

**Classical Net Review**

Yepes took his first lessons from Jesús Guevara, in Lorca. This was followed by a long period in Italy where he profited from contact with artists of every kind.

**Classical Music: The Listener's Companion**

It was likely dedicated to him in the 1950s, when Rodrigo included it and two other pieces as the suite Por los campos de España. Task: Music Appreciation Critique American society had changed significantly a century after a music curriculum was introduced by Lowell Mason into Boston public schools and music educators and critiques developed music appreciation to respond to new demands, concerns and innovations of modern America. In the 1980s, Yepes formed Trio Yepes with his son Ignacio Yepes on flute and recorder and his daughter Ana dancing to her own

choreography.
