### Aerospace Science and Technology

The deadline for this particular transition is September 15, 2018, the same as the ISO 9001:2015 deadline.

### Medical Certification

If you are able, we continue to encourage airmen to accomplish their regularly required airman medical certificate exam with an FAA AME. MedXPress is designed to expedite the processing of a pilot's request for certification and shorten the pilot's office visit with the AME.

### Membership

Product Safety A new clause, 8.

### Access

By implementing a platform for technical knowledge discovery, the agency has gained quick access to relevant information and reduced time spent researching specific project data results from days to hours. Using the requirements and guidance of AS9100, you can better safeguard your organization from information losses and simultaneously improve your organization's use of knowledge. Global Tenders assists clients to participate in International tenders where they are not having their presence.

### Membership

The journal welcomes papers from a wide range of countries.

### Aerospace and Defense

The SFAR does not modify the requirements of §61.

### Home Page

At the end of 2018, foreign direct investment FDI into the U. They should also be briefed on the implementation plan, how it fits the new standards and what role they will play within the plan. This makes the system more effective at preventing against and planning for risk.
