Cliff's original painters re-united by the CCCC founder Leonard Griffin who is pictured with them in 1986 In 1982 the ORIGINAL Clarice Cliff Collectors Club was formed and promoted her and her work throughout the world. Information on the method of applying each mark can be of vital importance, for instance the early Chelsea triangle mark must be incised not impressed, as it can be on 19th-century fakes.

### Clarice Cliff

The first two are both classified as the Stylized Bee TMK-3 , but the third is considered a fourth step in the evolution, the Three Line Mark TMK-4. The original leaflet for the Appliquéd patterns featured just two, Lucerne and Lugano, but Cliff's prolific ability to design new patterns is witnessed by the fact that by 1932 the Appliquéd range had 14 patterns: with Avignon, Windmill, Red Tree, Idyll, Palermo, Blossom, Caravan, Bird of Paradise, Etna, Garden, Eden and Monsoon in addition to the original two. What we hope to provide here is a concise and accurate summary of the codes and dates.

### Meissen Porcelain: Collecting Guide

The Year Codes in chronological order. The mark illustrated here is for exclusive use on Goebel products made from the paintings and drawings of M.

### Soviet porcelain — a guide for collectors

The international appeal of Soviet propaganda Once the Soviet government had established foreign trade, porcelain items decorated with revolutionary slogans and propaganda were actively promoted and exhibited in European cities such as Amsterdam, Berlin, Tallinn, Stockholm, Lyon and Paris. Marking on Royal Copenhagen dinnerware and Flora Danica Over the line you have the number of decoration - here 10 for Under the line you have the item or model - here 1623 on a Dinner plate On the same model and form you can have different decorations - here In the pattern you have item numbers from 1500 - 2000 The pattern you find numbers from 8000-8499 The have numbers from 8500 and forward You will find variations and gift item which will not follow the rules - candlesticks above have number 3303 The was given the decoration number 1 because it was the first and oldest From 1893 the numbering system was introduced.
