## **Boychiks in the Hood: Travels in the Hasidic Underground, by Robert Eisenberg**

In lively Antwerp, the author observes signs of the vigorous prewar European Jewish community and, in one of his many quirky encounters, finds himself discussing Meir Kahane while listening to Frank Zappa. Like other Rosenbaum stories, the deliverance at the end never comes--we are still waiting for Elijah, waiting for peace. We will instead record the presence of specific external materials in language that we hope will help intelligent users find it themselves.
