Justice system

The need for responsible reporting There are many similarities between the judiciary and the media. Over 120 people were killed in KwaZulu-Natal during the violence and looting that took place two weeks ago.

Challenges for achieving sexual and reproductive justice in South Africa

Organs of state, through legislative and other measures, must assist and protect the courts to ensure the independence, impartiality, dignity, accessibility and effectiveness of the courts.

Civic groups to march to Durban City Hall for justice in Phoenix massacre

Judges must do a better job of publicising the basis and meaning of their judgments.

Mob Justice in South Africa: An expression of a failed Criminal Justice System • College Newsletter

Regional cooperation among prosecuting agencies is equally limited. The NPA was expected to increase the number of specialised commercial crime courts.

Challenges for achieving sexual and reproductive justice in South Africa

The inability of the courts to force compliance with their orders is particularly evident when the targets of those orders are the other branches of government.

Challenges for achieving sexual and reproductive justice in South Africa

If restorative justice means promoting good relations, based on the dignity of the person and mutual respect, it might just contribute to a peaceful society.
