### Focus on Spain's design: interview to Mario Ruiz

Unitranche facilities are attractive for borrowers as it means they can raise their leverage to a higher level to pursue their growth strategy. In short, new products and the added value that maintain them in the forefront accounting for the fluctuation of the investments. It depends, there are many variables and balances within each element that should be considered when developing a new project.

### Direct lenders increase focus on Spain in hunt for deals

My field of activities is not restricted to the furniture, tableware or lighting sectors, because I think that the design methodology should provide a solution-based approach to solving problems, whenever is needed.

### Spain Economy

Supported by The Edinburgh International Film Festival Limited is a subsidiary of the Centre for the Moving Image.

### New Spain and Spanish Colonization

Give us a brief definition from your point of view.

### Direct lenders increase focus on Spain in hunt for deals

Throughout its past Barcelona has had to contend with the consequences of its strategic location and political significance.

### Spain Economy

We understood each other immediately. The street, things around me, items that are within reach.
