Please do not use this website if you disagree with any of the terms outlined here. It is said to have been discovered, in 1857, by Ethan Allen Grosh and Hosea Ballou Grosh, sons of a Pennsylvania clergyman, trained mineralogists and veterans of the California gold fields.

## Still Searching for the Mojave's Lost River of Gold

Some stories claim the butte where Pegleg found the black-coated gold nuggets was located in the Chocolate Mountains and not in the Colorado Desert area. Lost gold area It wasn't until after the 1849 Gold Rush that Pegleg returned to California to organize a prospecting party to search for the butte where he found the black gold nuggets.

## List of lost mines

Thousands of Nevada's abandoned mines are on public land simply because most of the Silver State is under federal jurisdiction of one type or another.

## Nevada Lost Mines and Buried Treasures by Douglas McDonald (Trade Paperback) for sale online

This ore bin is next to one of the hiking trails in central Nevada. When the community realized that original settlement—was falling victim to time and weather, they scrambled to save many of the original buildings and relocated all of them to one handy spot for you to check out.

## 26 Must See Nevada Ghost Towns and How to Get There

Most stories place the gold in the vicinity of Weaver's Needle, a well known landmark. The district was not a large producer until the early 20th century.
